Items taken to store between March 24 and April 15

Email Betsy Klein, the store owner to make an appointment. She will review your items and together you will determine the price.

All clothing must be in garment or plastic bags to avoid soiling.

Each item needs a 3 x 5 card telling the story of the item (Oh my, I started out as a _____ and look at my transformation! I am

now a _____ fit for a _____, etc). 70/30 split; our items will

not go onto the discounted rack, but the store reserves the right to negotiate up to a 10% discount if they see really interested

customers. Our items will not be donated if not sold. Bring

business cards to share as you network with attendees after the show. Wear your own wearable art!
